

The Pauquette center is approved by the American Psychological Association to sponsor continuing education for psychologists. The Pauquette center maintains responsibility for the program and its content.

# INTRODUCTION TO THE PRINCIPLES OF PSYCHEDELIC HEALING

January 17, 2025  
 8:30 am - 12:45pm (4 CEs)  
 Register & More Information:  
[www.pauquette.com](http://www.pauquette.com)

## LEARNING OBJECTIVES

1. Describe the current legal landscape and prevalence of psychedelic-assisted therapies in WI and at the national level
2. Explain the concepts of set and setting
3. Apply preparation and integration skills for supporting clients who have engaged in psychedelic-assisted therapies, research, underground or international work, and other experiences with mystical and/or non-ordinary states of consciousness.
4. Assess psychedelic-assisted therapy training programs for continuing education in psychedelic-assisted therapy
