

Referral Process:

Complete the External Referral form on the Website. Once we have enough people referred, we will schedule you for a short screening to provide background information and determine if the group would be a good fit. If you are a good fit, you will be required to complete new client paperwork, and be scheduled for a session to complete an intake and a treatment plan.

Current Pauquette Clients speak to their Pauquette Provider.

Introduction:

This group is designed for men with a history of domestic violence and/or significant anger issues. It is led by a WBPTA - Certified Treatment Provider.

The core curriculum of this group is psychoeducational and addresses anger, violence, power and control, and healthy relationships.

The group meets 1 1/2 hour per week for 24 weeks.

Meetings:
last 90 minutes

Cost:
Pay \$950.00 for the full six months or make payments of \$190.00 per month prior to the start of the month

- Expectations:**
- Attend consistently and participate in group discussion.
 - Be able to join via telehealth in a private, confidential setting.
