# Reproductive Trauma Group

A trauma/grief treatment  
and support group

## Group is for:

- Pregnancy loss (miscarriage, stillbirth), neonatal/infant loss
- Traumatic or difficult birth experiences (birth trauma, emergency interventions)
- Infertility and recurrent pregnancy loss grief
- Traumatic pregnancy decision experiences (abortion with distress, complex decision-related grief)
- Perinatal/postpartum PTSD, complicated grief related to reproductive loss

## Goals of the Group:

- Develop coping skills for reproductive trauma and grief
- Create a personalized self care plan as well as a plan for accessing support
- Receive support from others in similar situations

**Weekly on Thursdays  
1/22/26 to 4/8/26**

4:00pm to 5:30pm

Group is Virtual and Insurances  
Accepted
