

## Our Staff

*The psychologists practicing at the Pauquette Center hold, as do all licensed psychologists, Doctoral Degrees (Ph.D. or Psy.D.) in psychology. Our clinical social workers and counselors are state licensed and hold Masters Degrees (M.S.W., M.S., M.A., M.S.E., or M.F.T) in social work, marriage and family therapy, or counseling. Our advance practice nurse practitioners are Board Certified medical professionals with specialty training in psychiatry. A listing of our clinicians, their background and training, and their specialties is available on our website: [www.pauquette.com](http://www.pauquette.com).*

## Payments

*Fees are determined based on type and length of services. The Pauquette Center accepts most major insurance plans as well as Medical Assistance and Medicare. Please contact the Pauquette Center or your insurance company directly to determine if your insurance is accepted. The Pauquette Center accepts all major credit cards.*

## *Our Services*

*The Pauquette Center for Psychological Services is a multidisciplinary mental health organization providing a wide range of psychological and mental health services. We strive to be inclusive and provide responsive interventions that are relevant and affirming of individual and family needs and cultures.*

*Counseling and psychotherapy services are provided to individuals, couples, families and groups, and for people of all ages. Treatment is provided for a wide range of personal and family difficulties including, but not limited to:*

- *Depression*
- *Anxiety and Stress*
- *Trauma/traumatic experiences*
- *Child/Adolescent behavior problems*
- *Family/marital problems and divorce*
- *Anger control*
- *Personality Disorders*
- *Self-harm and suicidality*
- *School and work- related problems*
- *Legal problems*
- *Behavioral addictions/concerns*
- *Alcohol and drug abuse*

*In addition to these treatment services, the Pauquette Center provides psychological assessment services including personality, educational, court, and disability evaluations.*

## *Individual Therapy*

*Individual Psychotherapy is a fantastic way to get care tailored to your specific needs. At Pauquette Center, therapists can treat a wide range of presenting problems.*

## *Group Therapy*

*Pauquette Center offers group treatment to assist in learning new skills. At this time, all of our groups are being conducted via telehealth. However, we reserve the right to transition to in-person sessions as needed. You will find our groups listed below. For more information about the group or our referral process go to our website at [www.pauquette.com](http://www.pauquette.com).*
