

## Referral Process:

**Current Clients:** Ask your Pauquette Center therapist to submit a referral for you.

**New Clients:** Fill out the Referral Form on our website at [www.pauquette.com](http://www.pauquette.com) (Services > Group Therapy > Reproductive Trauma Group).

### Next Steps

Once referred, we'll reach out to schedule a short screening to confirm the group fits your needs. Once approved, you'll complete new client paperwork, an intake, and a treatment plan.

## Reproductive Trauma Group

*A trauma/grief treatment  
and support group*

**Call to get started  
[www.pauquette.com](http://www.pauquette.com)**

A Service of Community Service Associates, S.C.

## *Reproductive Trauma Group*

A new virtual support group is forming. Are you navigating the complex grief and trauma associated with reproductive loss or a difficult birth experience? You are not alone.

Join our Reproductive Trauma Group, a focused trauma/grief treatment and support group that offers a safe and confidential space to heal.

### *Who is this group for?*

- Pregnancy Loss: Miscarriage, stillbirth, neonatal/infant loss
- Birth Trauma: Traumatic or difficult birth experiences (emergency interventions)
- Infertility Grief: Infertility and recurrent pregnancy loss grief
- Complex Grief: Traumatic pregnancy decisions (abortion with distress) and perinatal/postpartum PTSD, complicated grief.

## *Group Goals:*

Develop effective coping skills for reproductive trauma and grief.  
Create a personalized self-care and support plan.  
Receive support and validation from others in similar situations.

### *Email direct questions to:*

**Jill Baures, Psy. D.**
